Serial No. 10/664,477

According to the Notice, Fig. 17 described in the specification appears to have been omitted from the present application. Although applicants believe the allegedly omitted Fig. 17 was included in the application when filed, to advance prosecution of the application, applicants enclose a copy of Fig. 17 in question, which is attached hereto as Exhibit 2. It is respectfully requested that attached Fig. 17, allegedly omitted, be incorporated in the present application, and that the filing date of this Petition, enclosing a copy of Fig. 17, be accepted as the filing date of the present application.

In addition, the present application is a continuation of application Serial No. 09/688,288 filed on October 13, 2000, which is a division of application Serial No. 08/904,855 ("the '855 application") filed on August 1, 1997, now U.S. Patent No. 6,275,231. As such, no supplemental declaration referring to Fig. 17 is necessary here as the Declaration filed in the present application is a copy of that in the '855 application, which included Fig. 17 in question when it was filed on August 1, 1997.

Applicants enclose herewith a \$130.00 petition fee pursuant to 37 C.F.R.1.17(h), and \$11.00 which is the balance due for the requisite application filing fee based on the later filing date. The Commissioner is hereby authorized to charge any additional fee(s) or underpayment of fee(s) to Deposit Account No. 50-0988.

Favorable decision is solicited.

Respectfully,

By
